You may have seen the name "FlexiBuzz" and noticed a change in logo (a green bee as pictured below) when you visit your Tiqbiz app. This is the result of the recent purchase of Tiqbiz by InLoop Pty Ltd, an Australian tech company with leading brands including Flexischools. We will be continuing to use the app to communicate with you and FlexiBuzz will retain all of the features that were available with Tiqbiz. To ensure you have the most up-to-date version of the app we would recommend running the app update as soon as possible.

PRINCIPAL'S REPORT

...Equipping our students for the future—one that is yet to be formed can be challenging. ...

The education system serves a very specific role in society: it is meant to instil in future citizens the necessary knowledge and competencies they will need to lead fulfilling lives and contribute to society in a meaningful way. Our staff feel privileged to contribute to the role of equipping and preparing young people for more education, work and life together with parents .

Equipping our students for the future—one that is yet to be formed can be challenging. Whether the learning takes place in the classroom or through extra curricular activities such as excursions, tours or fundraising for causes in our wider community as part of Learning Teams, we seek to develop students who are resilient, respectful, have integrity and persevere, who actively support the wellbeing of themselves and others and celebrate achievement personally and as a student body.

Our staff continue to build on their teaching expertise, with dedicated time on the Curriculum Day exploring peer assessment feedback and Common Assessment Tasks. My thanks to Assistant Principal Mr David Busted for organising this day. Through learning about effect size, pre testing and post testing, they are helping students to see where they have grown in their learning. This is a powerful motivating tool as the students often start from different places in their understanding of a particular topic but through different teaching strategies are able to tangibly see how much they have grown in their learning.

Students have had the opportunity to attend the Netball Nationals, Interschool sport competitions, excursions to the Indonesian Film Festival, Top Designs, Berwick Heritage Walk, State 3x3 Basketball Tournaments, Sovereign Hill, Royal Melbourne Hospital, Cycle Camp and Cathedral Hike and the Supreme and County Courts.

Last week we celebrated the success of **Alicja Orłowska** (Year 12 pictured right with Hon James Merlino) who received a Premier's VCE Award for achieving a perfect score in Polish while studying part time at the Victorian School of Languages here at Berwick College.

The Year 12 Theatre Studies production of Hamlet was outstanding and our Year 11 students are completing their final Deb practises in anticipation of the spectacular Presentation Balls in two weeks' time.

Many of the extra curricular activities and programs provided to our student could not take place without the support of community groups, businesses and parents. I spoke at the **City Life—Casey** Service over the term break to thank them for their support of the work of our Wellbeing Team for our students. The generosity of the Rotarians, individuals who regularly give up their time for us, is very much appreciated. Our thanks to **Beaconsfield Home Timber and Hardware** who generously donated 20 claw hammers for the use of our VET Building students.

Our reputation as an excellent school in the local community is evidenced in the feedback we receive both from the information evening and the large numbers of families who attend our regular tours.

It has been a very positive and busy start to Term 2 as students and teachers work together to bring about the best possible learning experiences for our students.

PE/HEALTH—YEAR 7 BOYS CRICKET

Year 7 Boys Cricket

Congratulations to the Year 7 Boys cricket team who won the district cricket round robin held at the end of Term 1. The boys won the initial three rounds quite convincingly against Fountain Gate, Nossal and Gleneagles before progressing through to the final against Gleneagles.

In this match we batted first, scoring 148 from our 8 overs. **Jaxon Binns** the highlight with an impressive 62 not-out, whilst there were other handy contributions from **Oscar Preston, Omair Rana, Tizi Waseem** and **Zach Lines**. Defending our total, the boys bowled and fielded exceptionally well, restricting Gleneagles to 112 from their 8 overs meaning we finished as winners of the district tournament.

All of the boys contributed throughout the day and it was great to see them enjoying themselves on the cricket field, particularly given that a number of them had not played cricket before.

The team have progressed through to the next round which will be played later in the year in Term 4. Well done boys!

Mr Watson

LOTE DOMAIN—INDONESIAN FILM FESTIVAL

The Year 9 Indonesian classes at Berwick College were invited to attend a special educational session as a part of the annual Indonesian film festival. On Friday 21 April, 33 students were entertained by a traditional dance performance by Bhinneka Indonesian Cultural Arts group before enjoying a screening of the award winning film *Sokola Rimba*.

The film is based on the experiences of a young Indonesian woman, Butet Manering, who journeyed into the jungles of Sumatra in the 1990s to provide basic education to the people of Jambi province in an effort to protect their environment and way of life. The students were fascinated to see the traditional lifestyle of the jungle dwellers and many were inspired by Butet's experiences and wish to find out more about her work.

After the screening, students had the chance to discuss the film over lunch, enjoying some traditional flavours at Naughty Nuri's Indonesian restaurant at Melbourne Central. While some played it safe trying *nasi* or *mie goreng*, others bravely sampled stuffed tofu with chili sauce. All agreed that the food and drinks were *enak sekali* (really delicious) but some also found their meals to be a little too *pedas* (spicy)!

APPLIED LEARNING

Over the last fortnight the VCAL cohort from year 9 through to year 11 have been participating in a 'Start Smart' program run by the Commonwealth Bank.

This program provided students with an opportunity to learn how to effectively save and spend their earnings responsibly. Guest presenters came out to run workshops on 'Smart Spending', 'Smart Buying', 'Smart Saving' and 'Smart Investing'.

The Workshops were interactive and specific to the age groups of our students. The students found the workshops engaging and relevant and actively participated in a number of activities run by the presenters. The students took away some strategies and tips that they can hopefully apply in the real world.

Our two Year 11 VCAL classes participated in the 'Amazing Race' in the Melbourne CBD. Students were split into separate teams to navigate their way through the city of Melbourne. Students had to use their navigation and initiative skills to find their way through a number of checkpoints, bypassing some notable Melbourne landmarks along the way. The students all thoroughly enjoyed this excursion, and demonstrated how to work effectively in groups, achieving a number of competencies for Personal Development.

Finally there are still a number of VCAL students who need to attain a work placement this semester. Students are encouraged to visit the Careers office to ask for assistance, and to receive the Structured Workplace Forms which must be filled out prior to the commencement of work. The Careers office is always open to assist students who would like assistance in finding a work placement, please utilise this option.

Mr Julian Walton—Applied Learning Leader

LIBRARY NEWS

This week we remembered and honoured the ANZAC'S.

The hardships that they endured day in and day out to give us the freedom and life we have today is inspirational. Young people, some just 16, went overseas to fight to defend other countries, to ensure Australia was a safe place.

There were no illusions - the chance of making it back to the safety of their families was minimal.

As the cooler weather closes in on us, come into the Library and choose a novel or two to read in front of the fire. A great way to spend a wet afternoon.

We hope you look in the mirror today and see someone beautiful

THE LIBRARY LADIES

DANCE ACADEMY

CONGRATULATIONS

Congratulations to the following students who will be representing Berwick College in the Victorian State School Spectacular this year...

Principal Dancer

Emily Sebastian

Ensemble Dancer

Jaycee Kerslake and Shaylah Westwood

Mass Dance

Ulani Volk, Taya Kibblewhite, Ellyana Batty, Chloe Williams, Shinae Cruse, Rachael Gadanec, Keira Thomas, Mia Sama, Ashlee Clancy, Emma Smith, Mikayla Adams, Hannah Mollard, Courtney Brooks, Kira Range, Jessica Walker and Amber Hamblin

Electric Bass

Anthony Nicholls has been selected from all students in Victoria to play the Electric Bass in the Rhythm Section of the Main Orchestra. The Rhythm Section is very important as it holds all of the Orchestra together and Anthony will be learning 40 songs for the Spectacular.

Congratulations and good luck Anthony!

Congratulations also to **Kat Bast** who won the Vera E Hopton Memorial Award for the 16 year open graceful section at the VCCA competitions. This is a very prestigious competition to win. Well done Kat!

GOOD LUCK

We wish all our troupes, duos and solos good luck for the upcoming DanceStar Preliminary Finals!

CHOREOGRAPHIC COMPETITION

A reminder that the Berwick College Choreographic Competition will be held on **Sunday 21st May 2017**.

THANK YOU - BEAUTY AND THE BEAST FUNDRAISER

Thank you to everyone who attended the Beauty and the Beast Village New York Fundraiser on Sunday 26th March. It was a fantastic night and we raised a great amount of funds for the Dance Academy New York Trip in 2018.

Keep your eyes open for future fundraising!

Melissa Quenette BCDA Director and **Erin Taylor** BCDA Director Assistant

ART MATTERS

TOP ARTS EXCURSION AT THE NGV

Our year 11 and 12 Art and Studio Art students went on an excursion to see Top Arts 2017 at the National Gallery of Victoria. This exhibition featured a range of different artworks created by students that studied Studio Art and Art in 2016. Students were given the opportunity to look through folios that had received an A and A+ and listened to a presentation on the meaning and process behind some of the work that was featured.

This was a fantastic opportunity for our students to get inspired, show them different ways of working and what they can all achieve with hard work and determination.

TECHNOLOGY DOMAIN— TOP DESIGN TEXTILES EXCURSION

On April 21st VCE Product Design Technology Textiles students went to Melbourne Museum and viewed the Top Design Exhibition. The exhibition showcased the top Victorian 2016 students who studied Product Design Technology and we had the opportunity to view their final works and folios.

Students also attended a forum which was presented by the VCAA representative for Textiles, along with past Top Design Exhibitor students and a costume designer, **Caitlyn Ferruccio** had the pleasure of trying on one of the costumes.

All students were inspired by the new creative and innovative ways to make new embellishments we can add to our own garments!

DUNLOP DAY

Yesterday the 4th of May Berwick College came together to celebrate **Dunlop Day**, and what a great success it was! Congratulations to all our Dunlop Students who participated in Dunlop initiatives, for not only Dunlop day, but throughout the entire 'Dunlop Week'. We are incredibly proud of our team and their determination and drive to raise money and awareness for our two charities - **Mates4Mates** and **The Sir Weary Dunlop Medical Foundation**.

A couple of weeks ago students were treated to a guest presentation by **Hugh Robertson** (a fellow mate of Sir Weary Dunlop, War Veteran and Board representative from the Medical Foundation). Hugh told tales of **Sir Weary Dunlop** at war and showed us the importance of teamwork, courage and continuing to support the Medical Foundation and the legacy of Sir Weary Dunlop.

Over the past two weeks Dunlop students have been striving to individually raise funds for mates4mates through an initiative called **#30seconds4amate**, whereby each student has been asked to go out into the school community to find someone to sponsor them for 30 seconds worth of push ups. Last Tuesday morning Dunlop came together to complete 30 seconds of push ups to raise funds for mates4mates. So far, we have had some extremely generous and impressive fundraising efforts from our students, including:

- **Casey Hughes** who has raised **\$63** in 30 seconds *and*
- **Shannon Boggie** who has raised **\$57** in 30 seconds

Stay tuned for the next issue of the Dunlop Digger Newsletter to see a full list of all the student fundraising achievements.

Earlier this week the Dunlop Leadership team baked and ran a **Morning Tea** for staff to further raise awareness and funds for Mates4Mates – well done to our captains **Natasha Ratnayaka - Gamage, Imagin Morris** and **Jessica Kaisarevic** who spoke on behalf of the Dunlop Learning Team to staff about our charities and what they mean to us. You spoke with such passion and honesty, and we couldn't be prouder!

Yesterday we celebrated the end of the Dunlop festivities with a whole school staff and student **Planking Competition and BBQ** at C block during lunchtime where we raise over an additional **\$521** for our charities. Congratulations to our fellow Learning Team **Flynn** and their student representative **Page Ede** of Year 7 on winning the competition and scoring some movie tickets!

We are immensely proud of our team, not only for the vast amount of money they have raised, but for the sense of connectedness, team spirit and community spirit they have continued to uphold.

Keep up the great work, Diggers!

KENNY STUDENT—TJ STURDY EXCELLS

We would like to congratulate TJ on the success she had during her time at Newstart. Ms Duhau and I felt privileged to attend the graduation at the end of term 2. The students involved in the course did some amazing activities and by the confidence and smiles on faces it was certainly a worthwhile experience.

Operation Newstart has grown from the ground up. Newstart was developed by teachers and police who came in contact with students disengaged from education on a daily basis. They recognised together they all do better.

Operation Newstart is a partnership between the Department of Education & Early Childhood Development and Victoria Police. Newstart is passionately supported by community organisations, health professionals, other Emergency Services, further education providers, local businesses and industry, parents and sponsors who see Operation Newstart works!

Eight students spend a school term with a Police and Teacher Facilitator. Together they provide a multi-layered intervention of activities that creatively engage and challenge each student in a process of change. They include adventure based activities, involving problem-solving and team-building, music therapy, TAFE taster vocational orientation visits and working in sessions with parents/carers and students to rebuild relationships. The students develop a wide range of skills, building self-esteem and respect.

MIGHTY MONASH

We want to welcome you all back to Term 2 and we are hoping for an exciting and rewarding term. We have **Mikayla Cipriani** to thank for our amazing Monash Mascot!

Our home groups have been competing in the Monash Championship Cup. The leader board is as follows: Monash 1, Monash 4, Monash 5 and Monash 3 being the top 4 teams. There are many activities planned during home group and there will be a reward for the home group with the most points at the end of the semester!

Unfortunately, due to the weather conditions the Athletics Day carnival was cancelled this week. There will be time trials held at a later date for students who are interested in competing in district Athletics.

Ms Erin McCarthy and Ms Stella Dikeos

SUPPORT FOR FAMILIES—CSEF—CAMPS/EXCURSIONS/SPORTS

The Camps, Sports and Excursions Fund (CESF) helps ensure that no student misses out on the opportunity to join their classmates for important, educational and fun activities including: **OES, Camps, Sport Excursions.**

The annual CSEF amount per student is: •• \$225 for secondary school students.

The last day we can accept [2017 CSEF Forms](#) is **Friday 30th June**. Please submit the application to the Administration office **asap**. For more information: [Camps, Sports and Excursions Fund](#) or please contact State Schools' Relief on 03 8769 8400 or go to www.ssr.net.au/school

CHISHOLM CHARGERS

It is going to be a big term for our Chisholm Charger students. We hope you all had a wonderful Easter break and enjoyed the holidays.

Due to weather, the Athletics Carnival was cancelled last week! Nevertheless, our Chisholm Charger students are now preparing for other important functions throughout the term, including Dunlop and Frost Day, Market Day, the Year 11 Debutante Ball and Semester one examinations.

Our Chisholm Charger students have also been very active and achieving outstanding results outside of Berwick College. **Lauchlan Livingstone (CH6)** has been quite successful in his 2 years of bowling at the Berwick Bowls Club. This year, he was a beaten finalist in the minor singles championship and the mens' fours competition. In June, Lauchlan will be playing in the under 18 section of the Australian bowls Open which is being held at Broadbeach on the Gold Coast in June. There will be bowlers from all over Australia and internationally participating in the Open both at the senior and junior level.

Lauchlan (far right) with West Gippsland Development Squad

We wish Lauchlan all the best.

Rebecca Henderson (**CH6**) travelled to Penrith in April to represent School Sport Victoria in the National Triathlon Championships. She had a great race and finished 9th overall (and 1st Victorian) in the Intermediate Girls Race which was her 1st Top 10 finish at a National Level in Triathlon. The following day she competed alongside 3 other Victorians in the Mixed Relay. They came 3rd and won the Bronze medal.

Also, at the end of March Rebecca travelled to Sydney Olympic Park to represent Victoria in the Athletics Australia National Championships where she won the Under 17 5km Racewalk National Championship. This is the 4th year in a row that she has become the National Champion in Racewalking.

In January, Rebecca also won the State Championship for the 10km Open Water Swimming Championships and subsequently qualified to compete in the Australian Open Water Championships in Adelaide where she finished 8th in her age group for the 7.5km swim. Outstanding work, Rebecca!

Rebecca Henderson (far left)

Aidan Willis (**CH4**) also had a busy term one holiday. He was one of 13, 16 to 18 year old Australian junior baseballers selected to participate in a 10 day tournament in St Petersburg, Florida. The aim of the trip is to give exposure of Australia's most talented young baseballers to MLB and College scouts. The trip gave Aidan a taste of the 'grind' involved in professional sport. There was also time to eat out, shop and attend a Tampa Bay Ray's game at Tropicana Stadium.

The Chisholm Charger Leadership Team are so happy with all of these achievements! Please do not hesitate in sending us information about your child's achievements! **Go Chisholm Chargers!**

Ms Snowball and Mr Sacco

HOLLOWS NEWS

Both students and teachers have had a busy start to term two. Many of our Hollows students have demonstrated excellence both in and out of the classroom.

STUDENT ACHIEVEMENT:

Congratulations to **Harrison Sala** who is participating in the BMX Nationals in Queensland.

Eliza Lee competed in dance solos in the Moe Eisteddfod and won the adjudicator's award.

Vaughan Westwood's football ability was recognised with selection in the South-East junior inter-league team.

UPDATE ON JUNIOR CORE CLASSES

Student representatives from each of our Year 7 and 8 core classes have provided us with a summary of what is happening in their core classes early in Term Two.

7.5 HAP (Minsandi Jayalath Mudiyanse and Shae Robertson)

During the first couple of weeks we have engaged in numerous activities and we have been doing lots of revision. During Maths we have been enhancing our knowledge of rotational and reflection shapes along with our angles. In Humanities we've been extending our understanding about water scarcity and have been introduced to the topic liveability of cities. In English we have been studying Harry Potter and the Philosopher's Stone. We've been sorted into the Harry Potter houses in which our teams will earn points for our positive behaviour and contributions during class. In Indonesian we've been focusing on using the Indonesian language to create sentences and phrases. This term has been busy so far but we are all excited for what's ahead.

7.10 (Hadia Keshtyar)

We have been learning many different things in our subjects. In Indonesian we are learning lots of phrases and how to memorise them. In Science we have been doing several experiments, in Design Materials we have been making lots of different things, mostly from wood. In Maths, English and Humanities we are using our textbooks and the internet to help us complete lots of chapters and questions. As students, one of our favourite subjects is PE and in this favourite subject of ours we are training to be masters at gymnastics.

8.10 (Milli Jerome)

In English, we have been looking at the book Runner and we wrote an essay on that book. We learnt how to write an essay and what to put in an essay. In Humanities we have been looking at mountains and how they are formed. We have also been learning the layers of the earth and what they do. In Maths we have been looking at statistics and graphs. We have been learning how to draw different types of graphs and how to read them. In Science we have been learning how sound works and how we can hear. We have been learning the different parts of our ears.

FLYNN LEARNING TEAM

We enjoyed a very positive assembly with Flynn students and staff on Thursday 20th April. All the students were revved up for the upcoming athletic sports, but unfortunately these were later cancelled due to inclement weather. We held 'planking auditions' for the Dunlop day activity. We had several students and staff hold their 'plank' for over 3 minutes but in the end the student representatives for Flynn were Paige Ede and Josh Stania. We wish them well.

We also had a Flynn Learning team game where a member from each learning team had to unspool 2 rolls of toilet paper around another student in a time limit of one minute. Fun was had by all.

Congratulations to **Phoebe Wallen**, who at the time of writing, was coming first in the National BMX in Brisbane. A win here will allow her an all expenses paid trip to the USA for the internationals. Good luck Phoebe. Congratulations also to **Hayley** (Year 8) (*pictured right*) who represented Victoria in the Athletics National Championships by doing the U15 3000m Race Walk.

The Flynn walk for Wattarka will be held on Monday 29th May. This will involve students walking around Edwin Flack Reserve to raise funds. This is to support National Reconciliation Week from Saturday 27th May to Friday 3rd June. We will keep you posted with details soon.

A reminder to all Flynn students that if you arrive late to school you must sign in with Mrs Robyn Batch (our attendance officer) in room F10. You should also provide a note explaining your lateness. Even if you do not have a note students are still required to sign in. **Mrs Michelle Lewis and Mr Adam Nettleingham**

O'DONOGHUE DRAGONS

A big welcome back to our O'Donoghue students and families.

Our Year 7's have well and truly settled into life in Secondary School. Unfortunately the Athletics carnival was cancelled. Many students were excited and had their name down for many events which is fantastic to see. Participation is imperative.

Well done to all students! Our attendance has been excellent so far. A reminder that attendance is important. Term 2 is a long term and we want all of our O'Donoghue students at school as much as possible. Ensure you let our attendance officer, Robyn know if your child is sick and unable to attend on 8768 1086.

Reconciliation Week - 27th May – 3 June

Our Learning Team is named after Lowitja (Lois) O'Donoghue. She was born in 1932 in a remote Aboriginal community. She was taken away from her mother and family at the age of 2 and did not see her again for 33 years. The opportunities for her in terms of work and training were limited. Lois pushed and after much struggle became the first black nurse in South Australia. She became an active Aboriginal rights activist and was responsible for the local implementation of national Aboriginal welfare policy. Even today Lois continues to work hard on committees and as a public speaker in regards to Aboriginal rights and reconciliation.

In honour of Lois and her work, O'Donoghue will be doing activities in HG and throughout reconciliation week to raise awareness for and understanding of this cause with all students.

Mr Jesse Nugent and Ms Rebecca Abernethy—O'Donoghue Learning Team Leaders

FROST FALCONS

4 Cs Pakenham – Chloe Cook
Chloe would like to raise money for this charity as they helped to support her single-parent father and his 5 children.

ATTENDANCE & REDEMPTION—VCE & VCAL

RATIONALE

It is a requirement that students attend all timetabled classes so that teaching and learning opportunities are maximised. Attendance in class provides opportunities for student work to be authenticated by teachers. Work which cannot be authenticated will not be accepted for assessment.

VCE and VCAL requirements are set externally and teachers must comply with these rules. The VCE comprises three components: assessed work, completion of outcomes to a satisfactory standard and **attendance**. VCAL requires the completion of outcomes to a satisfactory standard and **attendance**.

The VCAA has stated that “where a student has completed work but there has been a substantive breach of class attendance, the student may be awarded an N”

VCE & VCAL ATTENDANCE RULES

- All absences must be explained by parents/carers
- A student absent from classes for part of a day must sign in or out
- A medical certificate must be provided for any absence of three or more consecutive days

ABSENCES THAT ARE EXEMPT ARE:

- Any absence supported by a medical certificate
- Any absence due to family/welfare circumstances supported by the Student Learning Leader, Year 12 coordinators, Principal class or Wellbeing staff. Eg. funeral
- Any absence to attend an approved educational activity like sports, excursions, camps, tertiary information seminar etc
- It is a student’s responsibility to ascertain what work has been missed, to obtain any handouts and to complete the required work as soon as possible after an absence.
- It is the student’s responsibility to provide teachers with suitable evidence related to absences.
- Students should keep any notes, medical certificates and approved absence slips. These must be shown to the class teacher, home group teacher and/or Year 12 co-ordinator within three school days of the absence.
- Redemption of absences
- Students are required to redeem absences for each unit. Exempt absences do not require redemption. However absences that are not exempt (see below) are subject to redemption as follows:
- Students can have up to and including 6 non-exempt absences per unit per semester without the need for redemption.
- Students with 7 to 12 non-exempt absences per unit per semester are eligible for redemption.
- Students with more than 12 non-exempt absences per unit per semester automatically fail the unit as the student has not been present in sufficient classes for the teacher to authenticate their work. In such a case the teacher must give an ‘N’ for the unit as well as an “N’ for at least one outcome

ABSENCES THAT ARE NOT EXEMPT FROM THE REDEMPTION PROCESS ARE:

- | | |
|--|--------------------------------|
| • Family holiday – unless Assistant Principal approved | • Parent choice – unauthorised |
| • Illness | • Refusal |
| • Medical/welfare (note: Wellbeing staff are to mark ‘present’ and the add a note) | • Suspension |
| • Parent choice – authorised | • Truancy |
| | • Unexplained |

Redemption classes will be run on two Saturday mornings in the term 2 and term 4 from 9:00am to 12:45pm and students are required to wear full school uniform. Students are required to complete school work during this time. No other redemption classes will be held outside of these times.

For each period to be redeemed, 45 minutes must be spent in redemption classes. Students will be able to redeem absences only once for any one unit. The teacher in charge of the redemption class will inform the relevant learning team leader/ coordinator who will inform the class teacher when a student has completed their redemption class.

Students who fail to complete the required redemption or have more than 12 non-exempt absences will fail that unit. This will be indicated on the report with at least one outcome fail for that unit.

VET (VOCATIONAL EDUCATION AND TRAINING)

VET AUTOMOTIVE STUDIES AT BERWICK COLLEGE

This Certificate II qualification held at Berwick College provides an excellent opportunity to gain employment in a wide range of automotive trades. There is a growing demand for apprenticeships in this industry and employers are using this course as a benchmark when employing new apprentices.

With this in mind, the VET Automotive teacher, Mr. Terry De-Santis, is committed to assisting students secure work placements within the automotive industry to complement their learning. The following students have secured placements in 2017; **Riley Clark** (Berwick Toyota) and (**Shannon Imlack**) (Beaconsfield Automotive Repairs).

Furthermore, past students who have undertaken the Certificate II Automotive Studies course and secured a work placement to complement their learning have found this has assisted them to obtain an Apprenticeship. These students are; **Brayden Landsbury** – 1st year apprentice – spray painting company in Dandenong and **Jack Glebatsis** – 2nd year apprentice – Berwick Volkswagen.

In addition to the above, the VET Automotive Studies students and their teacher attended the Australian Formula 1 Grand Prix in March.

This excursion was an opportunity for the students to observe a range of different careers within the Automotive industry.

VET COMMUNITY SERVICES AT BERWICK COLLEGE

The VET Community Services Certificate II qualification held at Berwick College provides students with the skills and knowledge to achieve units of competence that will enhance their employment prospects in the community services sector/related industries.

Recently the students attended an excursion to the Royal Melbourne Hospital, where they had the opportunity to observe various aspects of the hospital in action, including the trauma ward, emergency, intensive care, physiotherapy, occupational therapy and speech therapy. The students heard from a range of guest speakers including; Ambulance Victoria and an ex trauma patient. A particular focus of the excursion was to discuss the prevention of alcohol and risk related trauma in youth, with an emphasis upon understanding risks, choices and consequences.

The VET Community Services students should be commended as they were well presented, well-spoken and well behaved on the day. Congratulations to you all, as you represented Berwick College well.

A special thank you to the following staff members who also attended; Mr Frank Jetmar, Mrs Kyra Dawson and Mrs Tracey Anastasi. Your support and expertise on the day was appreciated.

Mrs Karen Crawley – VET Community Services teacher.

YEAR 10 – GAME OF LIFE – 2017

Students undertaking the Game of Life subject during Semester 1, 2017 have just completed at the end of term 1, 5 days of work experience in the following work places; education, retail, fashion, photography, police force, legal (court system), administration, medical and carpentry in particular. Throughout this time the Game of Life teachers and careers staff contacted these students and their employers and received some fantastic feedback. Comments such as; committed, hardworking, shows initiative, punctual and well-presented were provided by these employers to the staff and students.

Students undertaking Game of Life during Semester 2, 2017 will receive information at a later date in the year regarding their placement dates.

This is a wonderful opportunity for your child to explore a workplace/career that they may be interested in pursuing in the future.

If you require any further information, please contact your child's Game of Life teacher or Ms. Narelle Mills in the Careers office on 8768 1059.

STRUCTURED WORK PLACEMENT – ALP/VCAL STUDENTS – YEARS 9, 10, 11 AND 12 – (15 YEARS OF AGE OR ABOVE)

A requirement of the VCAL program is for students in Years 10, 11 and 12 to undertake one day of work placement each week on a Wednesday or Friday (apart from school holiday breaks and public holidays) to coincide/complement their VET (Vocational Education and Training) Certificate which is undertaken here at Berwick College or off campus at an educational institution such as a TAFE or school. Students complete 20 days (maximum) of work placement each semester.

Before students commence each placement they should have completed the following; organised an employer, organised signatures by all parties (parent/guardian and employer), completed Safe at Work certificates (general and industry specific) and any other specific requirements to the placement, i.e., White Card – working on a Construction site. This SWL paperwork and accompanying documentation must then be handed directly to the Careers office to Ms. Narelle Mills who will ensure all items on the paperwork are completed correctly and any other specific requirements for the placement are met. Thereafter Ms. Mills will organise for the College Principal, Ms. Bolch to sign the form. Copies of the signed form will then be handed back to the student (one for their record and one for the employer).

Listed below are the work placement dates for these students in 2017:

Semester 1 – Years 10, 11 and 12

Start date – Wednesday 22nd February 2017 or Friday 24 February 2017

End date – Wednesday 28 June 2017 or Friday 30 June 2017

Year 9 (Applied Learning Program)

Start date – Thursday 3 August, 2017

End date – Thursday 9 November 2017

Semester 2 – Years 10, 11

Start date – Wednesday 2 August, 2017 or Friday 4 August 2017

End date – Wednesday 8 November 2017 or Friday 10 November 2017

Year 12

Start date – Wednesday 2 August 2017 or Friday 4 August 2017

End date – Wednesday 20 September 2017 or Friday 22 September 2017

If your son/daughter require assistance with the above or you have any specific queries, please feel free to contact Ms. Narelle Mills in the Careers office on 8768 1059.

TAX FILE NUMBER

Are you looking for part-time work after school or on weekends? If so, you will need to provide the employer with a tax file number. Students can apply for a TFN online and have their identity verified through an interview at participating Australia Post offices. More information on applying online can be found at www.ato.gov.au or you can phone 1300 130 282 between 8:00am and 5:00pm, Monday to Friday.

CAREERS CONTINUED

YEAR 10 AND 11 – CAREERS APPOINTMENTS

All Year 10 students will have an opportunity to attend the Careers office during terms 1 and 2 to participate in a compulsory MIPS (Managed Individual Pathways) session with Mrs. Carly Pearson. During these sessions students will complete an online Career exploratory quiz, investigate careers they may be interested in and research pathways/courses relevant to these careers. The research will include pre-requisites required to enter the identified pathways/courses, i.e., in school programs (VCE or VCAL), subjects and/or VET courses.

Year 11 students will have an opportunity to participate in a Careers session during terms 2 and 3 in a class setting with Mrs. Karen Crawley and Mrs. Carly Pearson. Any queries, please contact Mrs. Carly Pearson on 8768 1060.

YEAR 12 STUDENTS – 2017 – CAREERS APPOINTMENTS

All Year 12 students have been asked to contact the Careers office to make a Careers appointment during term 1. During these appointments students were asked to identify their program at school during 2017, including subjects and/or VET courses, as well as career/s they are interested in pursuing in the future. Students then had an opportunity to research the career/s, pathways and pre-requisite requirements, including how to apply for 2018 and beyond.

The term 1 appointments will be followed by an additional appointment during term 3, where students will have an opportunity to make an application to eight potential courses they would consider undertaking in 2018 via the VTAC (Victorian Tertiary Admissions Centre) website or directly via the Institute website.

For those students who are interested in pursuing an Apprenticeship/Traineeship, these students will upload their Resume/Cover Letter to a range of Apprenticeship support group websites.

If your son/daughter has not yet had an appointment or would like additional assistance, please contact Mrs. Karen Crawley on 8768 1060.

HOST FAMILIES AND EXCHANGE STUDENTS

A number of Exchange Students from Italy, France Germany, Austria, Norway, Sweden and Finland are hoping to come here this July and August because they wish to study here for a term, a semester or even two (which would mean they would be with the family who chooses them over Christmas and the summer holidays) with a family who would like to experience the differences and similarities of having an extra boy or girl aged 15-17 stay with them while they enjoy the experience and feel it is worthwhile. I'm hoping that's you and your family, so if you'd like to give it a try for a length of time, can afford an extra member of your family at mealtimes and have a spare bed, share room or own, please call Klaus Schumann on 0472 771 785 or 0397584279. (There is no payment involved as these are exchange students). Look forward to hearing from you.
