Technical support

To ensure you are 'school ready' with your iPad and eBooks, technicians from Edsoft will be at Berwick College 3:30 – 5:30 on 20th January 2014. Please note, technical support is only available for students who have purchased their iPad via Landmark School Supplies.

Free eTextbook reader App with your iPad!

When you purchase your iPad from the technology list, you will also receive access to the Campion eTextbook reader App. This App provides a huge range of tools designed to improve a student's eBook experience.

Other items available on the technology list!

PLEASE NOTE: All prices include GST. iPads can only be ordered online and cannot be purchased at your local Landmark Store. All items can be bought individually. Prices are subject to change and stock is subject to availability. iPads will be delivered to the school and be available for families to collect at the designated time only.
