## BUSES

Currently there are 13 morning runs and 12 afternoon runs that service Berwick Secondary College.

Timetables on the following pages are accurate at the time of printing but are subject to change.

Students must use a myki card to travel on all buses except the Upper Beaconsfield buses and the Narre Warren North buses. See below for specific information.

**Upper Beaconsfield:** Two buses run to/from this area. Students must pay a \$1.80 one way to travel on these buses or \$3.60 for a return ticket. These buses **do not** accept a myki card. Students eligible for the conveyance allowance will be issued a pass at the start of the school year and no fare is required. Lavender pass is for the early bus and pink is for the late bus. Conveyance allowance only applies to students enrolled at Berwick Secondary College before 2013. (see below for details). Term Price is dependent on term length and on average is \$130 – 140.00.

**Narre Warren North:** One bus runs from Wellington Road, Jacques Road, and Memorial Drive area. This bus is a contract bus and no fare is required. The bus company is paid directly by the government for this service.

**Pakenham:** There is now the addition of a late run bus departing from the lower bus bay at 4.00pm approximately.

Buses stop at MET bus stops

### CONVEYANCE ALLOWANCE – ELIGIBILITY CRITERIA

From 1 January 2013 a new conveyance allowance boundary was put in place and Berwick Secondary College is deemed a metropolitan school. Students who attend a metropolitan school are not eligible to claim a conveyance allowance.

However, students enrolled before 2013 that were eligible and in receipt of the allowance in 2012 will continue to receive the allowance as long as the student remains at Berwick Secondary College and remains at the same residential address. If the student moves schools they must reapply under the new eligibility criteria. If the student moves address and remains a student at Berwick Secondary College they will no longer be eligible for the conveyance allowance.

Students transitioning into Year 7 will not be eligible for conveyance allowance even if they have an older sibling at Berwick who maintains their allowance.
