

Dear Parent/Guardian,

Berwick College is looking forward to another great year of teaching and learning and would like to advise you of Berwick College's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. However, in order to provide the students with an appropriate level of service and facilities, we seek parent contributions to assist the College to provide an enriched learning and teaching program for every student. A summary of the various levels of contributions is detailed below for families to gain an understanding of the purpose of the charges.

The Department funding we receive contributes to the basic curriculum, however limits our ability to provide students with the level of resources and facilities we expect to provide our students. Therefore, your contribution allows us to provide appropriate resources in the following areas:

- Classroom and technology resources, such as air conditioners and projectors
- Maintenance of aging classroom facilities and equipment
- Welfare incursions
- College presentation nights activity days

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Kerri Bolch
