Signing into Google Classroom

There are a number of ways to sign in and access Google Classroom depending on if you are using a computer. If you are using a computer:

Step 1: Google 'Google Classroom'.

The image shows a Google search interface. At the top left is the Google logo. The search bar contains the text "google classroom". To the right of the search bar are icons for clearing the search, voice search, and image search. Further right is a grid icon and a blue "Sign in" button. Below the search bar are navigation links for "All", "Images", "Videos", "News", "Books", and "More", along with "Settings" and "Tools". On the far right, it says "SafeSearch on".

The search results show "About 512,000,000 results (0.44 seconds)". The first result is from "edu.google.com > products > classroom" with the title "Classroom: manage teaching and learning | Google for ...". The description states: "Classroom helps students and teachers organize student work, boost collaboration, and foster better communication." Below this is a link to "classroom.google.com" with the title "Google Classroom". The text below the link says: "Sign in. Use your Google Account. Email or phone. Forgot email? Type the text you hear or see. Not your computer? Use a private browsing window to sign in." At the bottom of the result are links for "E Classroom", "Google Class", "Classroom Help", and "Apps for Classroom".

On the right side of the search results, there is a "More images" section. It features a large image of the Classroom logo (a green square with a white person icon) and a smaller image showing a Classroom interface with a "Welcome" message and a "How to Create an Assignment and a Topic" guide. A "More images" button is visible at the bottom of this section.

At the bottom of the "More images" section, the text "Google Classroom" is displayed next to a share icon.

Joining Google Classroom by Invitation

Joining Classes

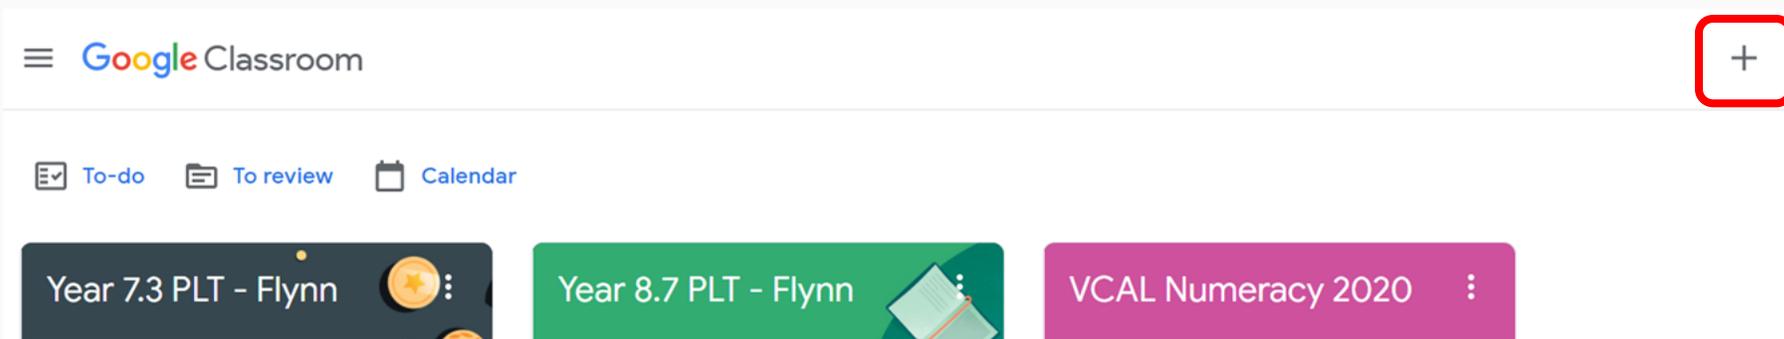

There are three main ways to join Google Classroom: by **invitation**, using a **class code** or via an **email link**

- If your teacher has **invited** you to join a Google Classroom using your Berwick College account, you will see a 'Join' button in your class list. Click on the 'Join' button to become a member of the class.

The screenshot shows the Google Classroom interface. At the top, there is a hamburger menu icon on the left, the text "Google Classroom" in the center, and a profile picture icon on the right. Below this is a list of classes. The first class is "Monash 7.6 2021 Pre-Orientation Class" with a green background and the word "MONASH" in large letters. It has a white "JOIN" button and a grey "DECLINE" button. A red arrow points to the "JOIN" button. The second class is "Year 11's completing a Year 12 Subject" with a blue background and an illustration of headphones and books. The third class is "Home Group Kenny 7" with a teal background and an illustration of papers. The fourth class is "Year 11 General Maths 2020" with a yellow background and an illustration of a bicycle. The fifth class is "11 BUSINESS 02" with a grey background and an illustration of a laptop. A white plus sign in a circle is visible in the bottom right corner of the interface.

Joining Google Classroom Using a Class Code

If you have a class code:

1. Click on the **'plus'** button in the top right hand corner of your screen on a computer, or the bottom right hand side on an iPad
2. Enter the class code
3. You should now be a member of the class and it will appear in your list
