Principal's Report

"Building connections and ensuring there is effective communication between parents and our school is an important part of our work".

The Valedictory dinner held this week was a very special event with over 750 in attendance; the class of 2023 will become part of our extensive alumni and history. My thanks to the Senior School team: Assistant Principal, Mr Andrew Barker, year 12 Coordinators, Ms Amy Pyke and Ms Natasha Rallis, Senior School Leader Ms Rebecca Hann, and all classroom teachers for their hard work and consistent support of the year 12 students. Our Careers Team will always be available for students to discuss their varied career pathways and options.

My thanks to Mr Kaplon and Humanities students, *pictured right*, for preparing the Remembrance Day presentation, activities and flag protocols.

Student assessments are being finalised to enable teachers to make informed and consistent judgements to improve student learning and complete Semester 2 reports which will be provided to parents on Tuesday, 12th December.

Students in year 9 are heading off to Tasmania on Monday, 20th November but all other year 9 students should attend. Subjects will be assessed at this time and will contribute to the students' results.

Our staff are looking forward to celebrating and rewarding student achievement and personal growth at the Celebration of Achievement night on Wednesday, 6th December at 6pm. Many of our past staff, alumni, local businesses who support our College, universities and local politicians sponsor these awards with bursaries, vouchers and/or names on plaques and medals. We are very grateful for their on-going association with our College and their encouragement to our students and their families.

The Headstart Program (2024 classes) commences on Monday, 27th November, and gives our staff the opportunity to establish early positive relationships with students and assists in building the frameworks around high expectations. I am pleased to have the 10 min Homegroup back in our timetable in the morning. The Homegroup teacher is a critical person for our students and their families, an advocate for the students and a first contact for parents. 'Knowing our students' is part of relational learning, and we all know how relationships improve learning. In Homegroup students set their goals for attendance and in their Maths and English classes, goals for growth in their PAT testing. When students set their own goals for growth they will have more ownership and teachers can determine the student's point of need to achieve their goals.

We are looking forward to warmly welcoming our 2024 year 7 students on Orientation day, Tuesday 12th December, and their families to our school community at the parent information evening on Monday 11th December. Building connections and ensuring there is effective communication between parents and our school is an important part of our work.

My thanks to our Junior School Leader, Ms Lauren Varadi, and Student Learning Leaders, for preparing the comprehensive pre-orientation program and transition to secondary school program provided in weeks 1 and 2 of the 2024 school year. New families often comment on our warm and friendly community culture, the welcome and assistance they receive from the front office and the communication they receive from teachers. This is the strength of the positive relationships we proactively build and our ICARE values being a lived experience by the school and wider community.

I look forward to presenting the following school service awards to staff on Celebration of Achievement night or the final staff lunch at the end of the year: ten years of service – Ms Melissa Quenette and Mr Jesse Nugent; fifteen years of service – Ms Fiona Buultjens; twenty years of service – Ms Rachel Edwards, Ms Stephanie Merchant and Ms Corinne Duhau, twenty-five years of service – Mr Adam Nettleingham, 30 years of service – Mr Michael Couche and 35 years of service – Mr Peter Slate.

These awards and acknowledgements are a testament to our tireless, professional staff who support our students to develop, believe in and reach their potential. **Ms Kerri Bolch - Principal**

College Council Report

The most recent meeting of the Berwick College Council was at the College on Tuesday, 14th November 2023. The College Council is the governing body of the school. It is responsible for developing and maintaining policies that assist and direct the operations of the school. The meeting agenda followed the standard format and contents. This included a report from the principal about the key activities and achievements since the last meeting, noting the work that is being undertaken to prepare for 2024, reports from the Council's sub committees (Policy and Planning, OHS, Facilities and Finance) and from student member, Teaghan. The parent payment policies were approved with minimal increases to financial contributions. The Parent Payments policies outline the ways in which schools can request financial contributions from parents and Council ensures that parent payment practices in schools are consistent, transparent and that all students have access to the curriculum. If you have any questions about the above or are interested in the work of council, please contact the College Council President at phil.wightman@education.vic.gov.au. Personally, I had the privilege to address parents and students at the Valedictory Dinner on Wednesday, 15th November. It was a wonderful night of celebration for the school community and one of which each and every member of the school community should be proud.

Mr Phil Wightman—President

Library News—Chess Tournament

We were delighted to host our second ever chess tournament in Term 4. Around 20 students from Years 7-10 competed to win trophies and have their name engraved on the Berwick College Chess Tournament Shield.

Our Year 7 participants were Thenuje Wickramasinghe, Terry Ratnayake, Ritesh Kanakamedala, Kupa Cridland, Cruz Salerno, Austin Burns, Jack Selimovski and Keipha Hanna. With a couple of draws along the way and so many games to play, we finally had the final two players battling it out for the championship title. Keipha and Ritesh were well matched and both played very well, but in the end, after one draw and a very long game, Ritesh was the victor.

Our Year 8 players were Lachlan Price, Bob Xu, Lenny Mclean and Abisayan Manivannan. With just two rounds to play, we quickly reached the grand final between Bob and Abisayan. After a very competitive game, Abi was the winner and was declared the Year 8 champion!

Our Year 9/10 competitors were Christian Merrylees, Oliver Freedman, Taha Zahid, Rayan Sabet, Tom Daly, Austin Borutta, RJ Liwanen and James Allott. Austin was the Year 8 champion last year so was back to defend his title. All games were played with great skill, with the final game between Austin and Oliver showcasing what it means to have fun whilst being truly competitive. In the end, it was Oliver's turn to take the trophy as Year 9/10 champion!

Congratulations to all of our champions and runners up. We were so impressed with all of the players – you all displayed great sportsmanship throughout the tournament, being gracious in both victory and defeat. Certificates will be given to all players and trophies will be presented to the champions at our future Awards Assembly. All players also received learning team points for participation.

Keipha and Ritesh

Abisayan and Bob

Austin and Oliver

Term 4 Sports Update

Year 7 Boys' and Girls' Table Tennis

On Tuesday (24/10), Berwick College was privileged to compete in the year 7 Southern Metropolitan Table Tennis Region Finals. Nine students represented the College as they competed in a series of matches (both singles and doubles) against other schools. The matches were intense, with all players showcasing their skills and giving it their all on the table. Our students showed great resilience when challenged and were respectful to their opponents, regardless of winning or losing. Our teams may not have won, but they left it all on the table and made our College proud. **Mr McMahon**

All School Athletics Championships

Berwick had two students who participated in the All School Athletics Championships in November. This is where students from all across Victoria (not just the state school students) compete.

Kevin Arachchi Appuhamilage came FIRST in the 90m hurdles.

Claire Wilson came SECOND in the girls' javelin.

Both have been invited to compete at the National Championships in Perth in December. I wish both of these students the best of luck!

Term 1 Sports Sign Ups

Sport sign ups for 2024 are already up in the stadium foyer for those interested. Sports include Mixed Baseball, Girls' Softball, Tennis, Volleyball and Cricket. Please sign up in the year level you will be in during 2024.

Berwick College students at the Maryborough HPV race

Four students from Berwick College are taking part in the biggest school HPV event in Victoria on November 24th-26th **Casey Armstrong, Callum McPhee, Jake Walsh and Hunter Fenner** make up part of the team that will be taking part in three different aspects of the event.

The first part is the Display & Presentation aspect where the students present to a panel of judges and talk about the topics of Design & Construction, Environment and Sustainability, Nutrition, Training, Fundraising and Safety and Rules. The next part is Design and Construction where the team will be asked a series of questions about the design and construction of the trike, which they have designed and constructed themselves with a little help from adults from the club. The trike will be checked and deemed race safe or not.

The last part of the event is the 24hr Endurance race.

Berwick College wishes **Casey, Callum, Jake and Hunter** all the best with the competition. Results and photos will be in the last newsletter for the year.

As Sports Coordinator I love to hear about events that our students are involved in out of school and would like to help promote and acknowledge their achievements. So if you are a student, or if your child is partaking in any amazing sporting events I would love to hear about it.

Claise.janssen@education.vic.gov.au

Ms Claise Janssen

Sport Coordinator

O'Donoghue Otellas Learning Team

As we approach the end of the term, we would like to congratulate the O'Donoghue students who have completed their exams and thank all O'Donoghue students for their continued compliance with the school's expected behaviours. We ask that all students continue to demonstrate our ICARE values and wear our school uniform with pride.

Headstart

A reminder that Headstart begins on the week of the 27th of November. It is important that students attend Headstart to ensure that they are up to date. The classes will be reflective of the 2024 year, with a five period day and Homegroup held at the beginning of the day.

Celebrating Success!

This term we have had an O'Donoghue Learning Team assembly to recognise the achievements of students who have outstanding attendance and outstanding behaviour in class. Well done to the recipients of Every Period In Class (EPIC) awards: **Cameron Visser, Dallin Seppings, Max Marotta, Indie Kyprianos, Macy Kerr, Ethan Smith, Henry Brown, Darcy Kostiuk, Nima Fayazi, Akshay Thinagaran and Kobihah Mugunthan.**

Congratulations also to all the recipients of the Green Chronicle Value awards for outstanding behaviour: **Cameron Visser, Max Marotta and Ted Burns.**

To enhance the profile around attendance at school and recognise students' outstanding number of green chronicles on Compass, we are trialling a new initiative for the remainder of the year called the EPIC VIP. The recipients of the above awards have been given a sticker that is placed on their student ID card which grants express passage to the front of the canteen line as special VIP treatment.

A reminder that your green chronicles can be cashed in for ICARE tickets which can be redeemed for rewards. Please ensure that you cash in your green chronicles before the end of the year. Please come and see us in C1s to get your reward for all your hard work.

Mr Jesse Nugent and Ms Isabella Sawatzky
O'Donoghue Student Learning Leader & Assistant

Christmas Appeal—Can you help fill this basket with grocery items?

The Berwick and District Benevolent Society Inc., which is a project of the Rotary Club of Berwick, has been in existence since 1961 and continues to help many local families and individuals who are suffering hardships in many ways. Each year at Christmas, hampers of food have been provided to the many people and families who are struggling at this time of year to provide for themselves.

The need is expanding and we are looking for assistance for our Christmas Appeal in 2023.

We are asking for the Berwick College community to again be involved and support the Benevolent Society by collecting non-perishable food items to be used in the hampers, which are made up and distributed in December to local families and individuals who are in need of some help at this time of year.

Any donations would be very welcome, and can be placed in the basket at Reception.

Dunlop Diggers Learning Team

As the 2023 academic year draws to a close, it is with gratitude and pride that we reflect on the remarkable journey we've experienced together.

We would like to take a moment to thank our 2023 Learning Team Captains, **Regan Gay and Allanah Thorn**, for their efforts this year supporting the Dunlop students and for being fantastic role models for our younger students.

To our year 11 students, we wish them the best of luck with their exams and impending transition into the challenging yet exciting realm of year 12.

A special acknowledgement to our E.P.I.C award winners for 100% attendance and highest number of green chronicle posts exemplifying our school values. The following students were recognised in our Learning Team Assemblies last week, treated to a special sausage sizzle, and awarded the newly introduced V.I.P sticker allowing them to 'skip' the dreaded queue of the canteen and treated with V.I.P service for Term 4.

E.P.I.C Award Winners: Anisha Ahmedi, Jessie Chuang, Connor Gula, Archer Hoarau, Summer Kelly, Beau King, Liam Puncher and Saviru Serasingha Jayakody Arachchige.

ICARE Award Winners: Maddison Carbery, Elizabeth Lawrence, Connor Gula, Alexis Amos and Summer Kelly.

GUMBUYA WORLD - END OF YEAR CELEBRATION

To celebrate student achievement and reward students for ongoing resilience, reflecting our College ICARE values, students from years 7-9 will be given the opportunity to participate in a fun filled day at Gumbuya World on Friday 15th December. We would love to see as many Dunlop students there as possible to finish the year on a high!

Consent and payment are due by Friday, 1st of December on Compass.

Ms Rebecca Kosach and Ms Nerissa Treveil
Dunlop Learning Team Leaders

Flynn Phoenix Learning Team

Flynn, we are halfway through the term, and we have plenty of key dates in the coming months that will affect some of our students.

Key dates

- Year 11 Exams – 13-16th of November
- Year 9 Tasmania Camp – 20-24th of November
- Student Free Day – 24th of November
- Headstart Commences – 27th of November

Uniform

Students are required to wear Berwick College uniform to school. For Flynn students in years 9, 10 and 11 this means full academic uniform. If you have PE you are expected to change back into your academic uniform for the remainder of the school day. Year 7 and 8 students are permitted to wear the College's PE uniform only on days in which they have PE.

If you know your child is going to be out of uniform, you must provide a note with a valid reason so that a uniform pass can be issued to Compass. If any assistance is required in obtaining the correct uniform please keep us informed so that we can provide support.

Phones

As per the Department of Education policy, phones are not permitted to be used by students throughout the school day. Students who are seen with their phone will have this confiscated and receive an After School Reflection.

Celebrating Success!

Finally, we would like to finish on a positive note and acknowledge some of the amazing successes that we have achieved as a learning team.

Congratulations to our E.P.I.C. and ICARE award winners who have modelled outstanding attendance and an exceptional approach to their studies. We are extremely proud of each of these students and believe that they are tremendous ambassadors for the learning team. Well done Flynn!

Ben Booth, Gethmin Aluwhihare, Dinora Anthony, Bailey Bone, Jasmine Gascoigne, Lucas Guedes Reis Silva, Briani Gunasekera, Martin Lang, Maggie Le Guier, Tadgh McCurran, Jinuka Mudalige, Isla Smith, Quinn Van Dyk, Senuli Withanawasam, Sean Basbas, Olivia Roberts, Rosna Joby, Vaibhavi Wandhekar & Lola Rutherford.

Mr Vaughan Chaplin & Mr Dustin Cunningham

Flynn Student Learning Leader and Assistant Student Learning Leader

Parent Forum—Online Gaming and Cyber Safety

Cyber safety is an issue from as young as the age of ten, where children are targeted through online games.

In their innocence and naivety, they do not want to disappoint people, including these predators, and so they can find themselves in some terrible situations.

While at school, phones must be switched off and securely stored during school hours.

This has helped to ensure we have a positive and respectful school environment.

Bully Stoppers and the eSafety Commissioner www.esafety.gov.au have excellent resources to assist children who experience serious cyberbullying and image-based abuse.

Together we can support our students in using digital technologies safely and responsibly.

White Ribbon Day Display

Help me...My teenager is addicted to online gaming!

This parent forum takes a look into the world of online gaming; the positives and the negatives.

- Why gaming is addictive (the relationship between the brain and gaming)
- Signs of harm to look out for
- Tips to assist parents while talking about gaming and gambling with their children and wards
- Where to get help (support services)

When: 22nd November 2023

Where: Berwick College PAC
Manuka Road, Berwick, 3806

Time: 6:30pm-7:30pm

RSVP: <https://compasstix.com/e/gkk9fiq7qc>

My child is involved in an online safety incident — what can I do?

As a parent or carer, you know your child better than anyone and have the best opportunity to guide them to have positive online experiences. If your child has been involved in an online incident (as a target, instigator or bystander), it is important that you work together with the school to provide your child with the support they need. It can be distressing to learn that your child is being cyberbullied, has been exposed to inappropriate content or is using technology inappropriately but it is important to focus on their wellbeing. It's best to not engage with the incident online — instead, stay calm, positive and focused on finding solutions.

When an online safety incident occurs, school staff will work through an incident response procedure, which is underpinned by school policies, education department/sector guidelines (if applicable) or eSafety advice. Ask your school for a copy of the procedure and familiarise yourself with the response steps. If you have an issue with the school, make sure that you raise it through the appropriate complaint procedures.

1. Focus on wellbeing

Check in regularly with your child and the contact person at your school. Regardless of whether your child was the target, instigator or bystander in the incident, it is likely that they will require emotional support. If your child has used technology inappropriately, support them to take responsibility for their actions and give them ideas to resolve the issue.

If you feel your child is in immediate danger or at risk of harm, call Triple Zero (000) and stay with them until they are safe. Seek professional help if your child is distressed or shows changes in behaviour or moods, remembering that organisations such as [Kids' Helpline](#) and [Beyond Blue](#) can help. Maintain contact with the school so you can work together to support your child.

2. Communicate with the school

Make a list of questions that you want to discuss with your child's school and use this to guide conversation. Check if your child has questions as well, or if they have any ideas on how to resolve the issue or repair the harm. Throughout the process it is important that communications with your child's school are calm and positive, focusing on addressing the issues and supporting your child. You might like to ask the school to watch out for concerning behaviours, or discuss the strategies that will be implemented if the issue remains unresolved. Keep in regular contact with the school, making set times to meet with your child's teacher, school counsellor and, if needed, the principal or school wellbeing team. This may help support the wellbeing of your child particularly if you have concerns with the steps taken in managing the issue, or if your child starts to feel uncomfortable about attending school. [Bullying. No Way!](#) also has helpful advice on how you can work together with schools to address and resolve bullying issues.

3. Access support

Your child's school and their GP or health professional can provide support. Draw on your own support network too, and make sure to seek help for yourself if you need it. The eSafety website includes a list of [counselling and support services](#) that can help anyone involved in an online safety incident. This list can be filtered by audience (including parents), the type of support required, issue and state/territory.

4. Upskill

eSafety has a range of information for [Parents and Carers](#) including skills and advice to help you talk to your child about online safety issues including cyberbullying, online pornography, sending nudes and online gaming.

2024 Booklists—Online orders to be completed by 12/12/2023 to receive FREE Home Delivery. Orders can still be place after the due date.

Campion Education are the official suppliers of subject textbooks. Following is a user guide to purchasing 2024 textbooks. If you need further assistance contact Campion on 1300 433 982 or help@campion.com.au

STUDENT ORDERING

How to log in and place an order with Campion Education

Campion Education is your school's recommended supplier. When you shop with Campion, you know you are getting the correct item as required by your school.

The easiest way to get all your school resources is to order online by your school's due date. Select what your child needs, tell us where to deliver it and we'll take care of the rest for you.

We do our best to deliver your child's resources in time for the start of school, but we can't always guarantee stock availability for late orders or in our stores, so order online today at campion.com.au.

1

Head to www.campion.com.au

Click 'Parents order here'.

2

To get started, enter your email or mobile and we'll send you a verification code — no more passwords!

When you get the 6-digit code, enter it and you're in!

3

First time users will arrive at the Dashboard.

Tap on 'Order Now' when you're ready to place an order.

Place an order and find your school's resource list

Placing an order with us is simple. By creating a Campion account, you'll have access to features that will save you time.

We'll step you through how to create an account. If you need help, please contact us by calling 1300 433 982 or emailing us at help@campion.com.au

[Order Now](#)

Here's a step-by-step guide on how to order your student's resources

Campion Education is your school's recommended supplier, so we have a list ready showing everything your student needs. When you shop with Campion, you know you are getting the correct item as required by your school.

The easiest way to get all your school resources is to order online by your school's due date. Select what your child needs, tell us where to deliver it and we'll take care of the rest for you. We do our best to deliver your child's resources in time for the start of school, but we can't always guarantee stock availability for late orders or in our stores, so order online today.

- Step 1: Add a student
- Step 2: Find your school's resource list
- Step 3: Select your items
- Step 4: Select a delivery or collection option
- Step 5: Review and pay
- Step 6: Track your order

[Order Now](#)

4

Campion's online ordering is set up so you order the exact resources your school has selected for your child.

Match your student using either their school email address or school name.

7

Now select year level and tap 'Continue'.

8

Use the arrows to open the subject areas your child will study. Tap on the resource to 'Add' and change the number if you need multiples.

Below the order, you will see delivery options available to you, which may include home delivery, school delivery, or click and collect. Make your selection and tap 'Continue'.

9

Make sure your contact details and delivery address are correct.

If you might be away on holiday in late January, you can give your work address or a friend's house (check with them first!).

10

Now you'll get a summary of the order, your details and payment information. We accept Mastercard and Visa.

If you need to pay with cash or a Campion voucher, please head into a Campion store or call 1300 433 982 for advice.

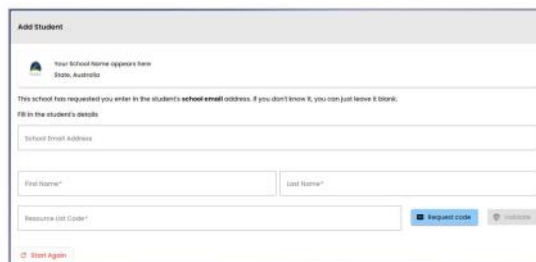

5

If you don't have your child's school email address, that's OK! You can search for the school by name and then use your child's name and Resource List Code to bring up their list.

The Resource List Code is usually a four digit code and should be on correspondence from your school.

If you can't find the Resource List Code, enter the student's first name and last name and select 'Request code', and we'll find it for you.

6

Once you have your student up, you can either add more students (tap 'Add Student' again) or if you don't have other students, tap 'New Order'.

Sustainable School Shop

We are partners with the Sustainable School Shop to provide families access to second-hand textbooks, uniforms, calculators, musical instruments, sports gear and much more!

Sustainable School Shop have preloaded items specific to our school onto their site. This makes it super easy to list your items for sale and to buy items.

See all the second-hand uniform items for sale here:

<https://www.sustainableschoolshop.com.au/stocktake/berwick-secondary-college>

See all the second-hand textbooks for sale here:

<https://www.sustainableschoolshop.com.au/booklist/berwick-secondary-college>

So jump onto the site, register and list your items for sale, you will be:

- reusing items rather than adding to landfill
- making money on items you sell
- saving money on items you buy
- providing another family in our school with cheaper items
- helping to create a culture of contact amongst our school community families!
